

The English courses are starting !

In September 2017, **six** schools in Europe will start the **BEATS** (= *Better English And Transferable Skills*) course:

 *Ecole Supérieure des Affaires, Namur*

 *Alius Lingua, Riga, Latvia*

 *IVO Brugge*

 *Adult Education Institution Dante, Rijeka, Croatia*

 *Rapla Keeltekoool, Rapla, Estonia*

 *EOI de Mieres, Asturias, Spain*

These schools will offer their adult learners a unique 3-in-1 opportunity:

- ✓ Learning **English** at the intermediate level (B1)
- ✓ Developing and practicing the **transferable skills** * thanks to an interactive and communicative method (* **transferable skills** are competencies that are useful for any job and can help be better prepared for the modern labour market, such as: business letters/emails, presentations, business phone calls, meetings and seminars, business etiquette in different cultures, job interviews, online courses, Europass CV)
- ✓ Having a real-life cultural exchange with the learners and staff from partner schools as well as visits to companies in other countries during the **mobilities** (optional trips to Spain, Estonia and Latvia which are subsidized by the Erasmus+ programme of the European Commission)

The course will consist of **80 lessons** which will be organised on Saturday afternoons from September to May: ± 10 sessions at school (once a month) and ± 10 sessions at home, via the online Moodle environment.

There won't be a classical evaluation, but self-evaluation based on a portfolio, development of professional abilities and feedback from the teachers (Mrs Demazy, Maes, Perroux and Wauters).

How to register :

If you are a motivated adult whose English is already at the **A2/B1 level**, you can send an **email** to Marie Demazy (demazymarie@yahoo.com) in which you **explain why you want to take part to this course**.

!!! The deadline to send your email is 20th September 2017 !!!

Each person interested in participating in the course will **take a placement test** helping to determine the learners' English language level.

Learn more about **BEATS** and find updates about our project on [Facebook](#) and [Twitter](#).
